

YOUR MISSION

Puzzling Pairs 1 Answers

Listening is one of the most important skills for service professionals. In this puzzle, changing the first letter in a word gives it a whole new meaning. This illustrates the need to listen carefully to every word, every letter, and even every non-verbal clue that a customer provides.

We've started you off by completing the first pair.

1. Baby bear into Bath-time place	<input type="text"/>	To	<input type="text"/>
