Customer Service Week 2026

Spelling Bee 1

This popular word game asks players to create as many words as possible using the seven letters inside the honeycomb. Each word must be at least four letters long and include the letter in the center. You may repeat letters to create longer words.

The puzzle has at least one word that uses all seven letters. This is worth three points. All other words are worth one point. The ratings are listed below,

Are you a Beginner Bee, a Busy Bee, or a Queen Bee?

Rating: score 1-4 = Beginner Bee; 5-10 = Busy Bee; 11-18 = Queen Bee

1.	7.	13.
2.	8.	14.
3.	9.	15.
4.	10.	16.
5.	11.	17.
6.	12.	18.
